The Honorable Bill Shuster Chairman House Committee on Transportation and Infrastructure Washington, D.C. 20515 The Honorable Peter DeFazio Ranking Member House Committee on Transportation and Infrastructure Washington, D.C. 20515

Dear Chairman Shuster and Ranking Member DeFazio:

The Waters Advocacy Coalition (WAC) is a broad coalition representing the nation's construction, real estate, mining, agriculture, transportation, forestry, manufacturing, and energy sectors, as well as wildlife conservation and recreation interests. WAC is deeply concerned about the rulemaking jointly proposed by the U.S. Environmental Protection Agency (EPA) and the U.S. Army Corps of Engineers (Corps) to redefine "waters of the U.S." under the Clean Water Act.

There is substantial and significant disagreement between the federal agencies, the states, local governments, and the regulated community about the scope and effect of the rulemaking. We have therefore urged EPA and the Corps to withdraw the proposed rule and work with state and local officials and stakeholders to develop a proposal that respects the jurisdictional limitations imposed by Congress and affirmed by the U.S. Supreme Court.

We believe it is important for Congress to set parameters for further agency action on a "waters of the U.S." rule so that the final result reflects congressional intent. In doing so, we believe it will achieve environmental benefits, ensure our nation's ability to engage in the kind of robust economic activity that sustains and supports Americans working in all sectors of the economy, and gain broad support from state and local officials and the regulated community. By requiring EPA and the Corps to withdraw the proposed rule, the "Regulatory Integrity Protection Act of 2015" appropriately re-asserts the role of Congress and initiates a process that will achieve greater balance and generate strong, bipartisan support. We applaud the Committee's leadership in this effort and urge all members to vote for passage of the "Regulatory Integrity Protection Act of 2015."
