BATON ROUGE, LA
PLA-13-VA25

Resolved by the Committee on Transportation and Infrastructure of the United States House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease of up to 87,878 net usable square feet of space, and 600 parking spaces, for the U.S. Department of Veteran Affairs (VA) for an outpatient clinic in the vicinity of Baton Rouge, LA to provide continued and expansion services for the Baton Rouge veteran community at a proposed unserviced annual cost of \$5,633,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, if the General Services Administration delegates to any other agency the authority granted by this resolution, the Administrator of General Services shall oversee and monitor such delegation of authority to ensure such delegation is carried out consistent with the law and authority provided.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided further, the Administrator of General Services shall require tenant agency(ies) to agree to reporting actual utilization data on at least an annual basis during occupancy and such reports are transmitted to the Committee.

Resolved by the Committee on Transportation and Infrastructure of the United States House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease of up to 85,046 net usable square feet of space, and 600 parking spaces, for the U.S. Department of Veteran Affairs (VA) for an outpatient clinic in the vicinity of Salt Lake City, UT to provide continued and expansion services for the Salt Lake City veteran community at a proposed unserviced annual cost of \$7,760,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution. This resolution amends Prospectus No. PUT-20-VA23 approved July 27, 2023.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, if the General Services Administration delegates to any other agency the authority granted by this resolution, the Administrator of General Services shall oversee and monitor such delegation of authority to ensure such delegation is carried out consistent with the law and authority provided.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided further, the Administrator of General Services shall require tenant agency(ies) to agree to reporting actual utilization data on at least an annual basis during occupancy and such reports are transmitted to the Committee.

COMMITTEE RESOLUTION

LEASE NATIONAL TRANSPORTATION SAFETY BOARD WASHINGTON, DC PDC-02-WA23

Resolved by the Committee on Transportation and Infrastructure of the United States House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 145,000 rentable square feet of space for the National Transportation Safety Board, currently located at 429, 470, and 490 L'Enfant Plaza SW in Washington, DC, and a third location at 45065 Bles Park Drive, Ashburn, VA, a delegated lease, at a proposed total annual cost of \$7,250,000 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 317 usable square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 317 usable square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided further, the Administrator of General Services shall require tenant agency(ies) to agree to reporting actual utilization data on at least an annual basis during occupancy and such reports are transmitted to the Committee.

COMMITTEE RESOLUTION

LEASE DEPARTMENT OF DEFENSE ARLINGTON, VA PVA-01-WA23

Resolved by the Committee on Transportation and Infrastructure of the United States House of Representatives, that pursuant to 40 U.S.C. § 3307, appropriations are authorized for a lease of up to 313,595 rentable square feet of space for the Department of Defense's Washington Headquarters Services, currently located at 875 N. Randolph Street in Arlington, VA, at a proposed total annual cost of \$12,230,205 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 202 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 202 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the

Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided further, the Administrator of General Services shall require tenant agency(ies) to agree to reporting actual utilization data on at least an annual basis during occupancy and such reports shall be transmitted to the Committee.
