

AMENDMENT TO H.R. 2997
OFFERED BY MR. DESAULNIER OF CALIFORNIA

At the end of title VI, add the following:

1 **SEC. ____ . STUDY OF GROUND TRANSPORTATION OPTIONS.**

2 Not later than 1 year after the date of enactment
3 of this Act, the Comptroller General of the United States
4 shall conduct a study that examines the ground transpor-
5 tation options at the Nation's 10 busiest airports in order
6 to—

7 (1) understand the impact of new and emerging
8 transportation options for travelers to get into and
9 out of airports;

10 (2) determine whether the use of airport im-
11 provement funds and revenues from passenger facili-
12 ties charges could have a significant impact on re-
13 ducing traffic congestion and reducing passenger
14 travel times between urban, commercial centers, and
15 terminal gates; and

16 (3) determine if greater flexibility in the guide-
17 lines and requirements for airport improvement
18 grants and passenger facilities charges could help

- 1 achieve the desired outcome of a better passenger
- 2 experience.
