

AMENDMENT

OFFERED BY MR. GARAMENDI OF CALIFORNIA

Page 67, after line 23, insert the following:

“(iii) a project for a bridge that is a critical enabling component for the construction, operation, or maintenance of a water storage, water supply, or water conveyance facility that is receiving, or has received, Federal financial assistance or direct Federal investment from the Bureau of Reclamation, the Department of Agriculture, the Corps of Engineers, the Environmental Protection Agency, or another Federal agency; and

“(iv) a project that supports access to, or maintains regional connectivity affected by, a water storage, water supply, or water conveyance facility described in clause (x), including bridges necessary to replace transportation infrastructure displaced by such a facility.”.
