

**AMENDMENT TO H.R. \_\_\_\_\_**  
**OFFERED BY MR. LIPINSKI OF ILLINOIS AND MR.**  
**DUNCAN OF TENNESSEE**

At the end of title I, add the following:

1 **SEC. \_\_\_\_ . INTEGRATED WATER RESOURCES PLANNING.**

2       In carrying out a water resources development feasi-  
3 bility study, the Secretary shall coordinate with local gov-  
4 ernments in the watershed covered by such study to deter-  
5 mine if a local or regional water management plan exists  
6 or is under development for the purposes of stormwater  
7 management, water quality improvement, aquifer re-  
8 charge, or water reuse. If such a local or regional water  
9 management plan exists for the watershed, the Secretary  
10 shall, in cooperation with the non-Federal sponsor for such  
11 plan and affected local public entities, seek opportunities  
12 for mutually beneficial management of water resources.
