1                   (B) SUSPENSION FOR OBSTRUCTION OF  
2                   INSPECTIONS.—

3                   (i) IN GENERAL.—If the Secretary  
4                   finds that any FMOC obstructs an inspec-  
5                   tion under section 107.807(c) of title 49,  
6                   Code of Federal Regulations, the Secretary  
7                   shall suspend the approval of such FMOC  
8                   for a period of not less than 6 months.

9                   (ii) REINSTATEMENT.—Any FMOC  
10                  suspended under paragraph (1) may be re-  
11                  instated after the suspension period im-  
12                  posed under such paragraph contingent on  
13                  a review for compliance of this section and  
14                  an additional safety audit.
