

AMENDMENT SUBMISSION PROCESS¹

COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE

Submitting Amendments

For the markup of the Water Resources Development Act, all amendments should be filed by **1 p.m. on Tuesday, July 14th**. Amendments received by this time will be taken up in chronological order by the time on the email of the amendment submission (alternating between Majority and Minority Members). Amendments received after 1 p.m. will be considered late and will be taken up in chronological order by the time on the email of the amendment submission (alternating between Majority and Minority Members).

Amendments must be submitted electronically ONLY.

Electronic Submission Instructions

The electronic submission of amendments to the Committee must be submitted via email in PDF format to this address: T&IAmendments@housemail.house.gov. The Amendment Submission Form should be included in this email. The Submission form is located on the Committee's website and can be found here: <http://transportation.house.gov/amendments/>.

Revising Amendments

To submit a revision of a previously submitted amendment use the same process as the original amendment.

Amendments must be submitted electronically ONLY.

Amendment Resources

Office of the Legislative Counsel	(202)-225-6060
Committee Staff	(202)-225-4472 – Majority Offices
	(202)-225-9446 – Minority Offices

General Amendment Submission Guidelines

The assistance of the Office of the Legislative Counsel should be sought in drafting each amendment. It is very important that the amendment be drafted by Legislative Counsel to ensure that it is tailored to the most up-to-date version of the base bill and that it is accurate.

It is always helpful to call the Committee prior to the markup and to speak with the appropriate staff person regarding your Member's amendment. Keep the Committee informed on the progress of the amendment as you consult with the Office of Legislative Counsel's office.

To provide Committee Members the opportunity to fully review and consider all amendments it is important to accomplish all of this by the amendment deadline for Committee markups.

¹ This Amendment Submission Process provides a general guideline for the consideration of amendments during a Committee on Transportation and Infrastructure markup. The specific consideration of amendments will be consistent with Committee on Transportation and Infrastructure Rules and House Rules.
