

AMENDMENT

OFFERED BY MR. HUFFMAN OF CALIFORNIA

In section 1103 of division B the bill (relating to definitions and declaration of policy), after subparagraph (H) of subsection (a)(1), insert the following (and redesignate accordingly):

1 (I) in paragraph (24), as redesignated by
2 this subsection, by striking subparagraph (A)
3 and inserting the following:

4 “(A) means—

5 “(i) a capital improvement for instal-
6 lation of traffic surveillance and control
7 equipment, computerized signal systems,
8 motorist information systems, integrated
9 traffic control systems, incident manage-
10 ment programs, and transportation de-
11 mand management facilities, strategies,
12 and programs, including employer based
13 programs, and programs that provide an
14 incentive to utilize alternatives to driving
15 alone;

16 “(ii) operation and management of
17 multimodal options, including integrated

1 multimodal fare collection, traffic informa-
2 tion, long distance commuter services,
3 first- and last-mile connectors, and micro-
4 transit services; and

5 “(iii) such other capital improvements
6 to public roads as the Secretary may des-
7 ignate, by regulation; and”.
