“The Air Line Pilots Association, Int’l, commends U.S. House Transportation and Infrastructure Committee and Chairman Bill Shuster for crafting a Federal Aviation Administration reauthorization bill, H.R. 2997, that advances the safety of air transportation in the United States. After working with Chairman Shuster and his staff on several amendments to the bill as introduced, ALPA supports this important, transformative legislation.”

Founded in 1931, ALPA is the world’s largest pilot union, representing more than 57,000 pilots at 33 airlines in the United States and Canada. Visit the ALPA website at [www.alpa.org](http://www.alpa.org) or follow us on Twitter @WeAreALPA.
