1       (d) INDUSTRY LEADERSHIP.—

2               (1) IN GENERAL.—Not later than 30 days after  
3       the date of enactment of this Act, the Administrator  
4       shall designate 3 individuals to serve as Industry Di-  
5       rectors of the Office.

6               (2) QUALIFICATIONS.—The Industry Directors  
7       designated under paragraph (1) shall—

8                       (A) be selected from the unmanned air-  
9       craft system industry base;

10                      (B) have extensive experience in develop-  
11       ment, operations, and Federal Aviation Admin-  
12       istration regulatory issues relating to unmanned  
13       aircraft systems; and

14                      (C) represent the different cross-sections of  
15       the classes of unmanned aircraft systems.

16               (3) DUTIES.—The Industry Directors des-  
17       ignated under paragraph (1) shall provide guidance  
18       and recommendations to the Federal Aviation Ad-  
19       ministration so that proposed regulations and policy  
20       are consistent with existing technology, infrastruc-

1        ture, and a phased early approach to integration of  
2        safe flight of unmanned aircraft systems in the na-  
3        tional airspace system.

4        (e) UAS AVIATION RULEMAKING COMMITTEE.—The  
5        Federal Aviation Administration’s unmanned aircraft sys-  
6        tems aviation rulemaking committee shall continue until  
7        full integration of unmanned aircraft systems into the na-  
8        tional airspace system is achieved. The Federal Aviation  
9        Administration’s unmanned aircraft system center of ex-  
10       cellence shall be added to the aviation rulemaking com-  
11       mittee on unmanned aircraft systems.
